2025 SUMMER TOYO UNIVERSITY

BUSINESS JAPANESE ADVANCED COURSE

COURSE FEATURES

We offer an Advanced Business Japanese course intending to acquire a higher level of business Japanese language proficiency. Each course is designed for those with Japanese language proficiency of N1 (JLPT) or J2 (BJT) or higher, and deals specifically with the language and cultural knowledge required in actual business situations.

Specifically, through exercises on the BJT Business Japanese Proficiency Test, the program aims to strengthen the linguistic aspects of a deep understanding of business Japanese and comprehensive business skills. This is especially recommended for those who want to try J1 and J1+. The lecture will be conducted in a way that ensures interactive interaction between the lecturer and participants. You may be asked to answer questions and participate in activities during the lecture, so please prepare a headset and microphone from a stable internet connection environment. Through this course, we aim to help you concentrate on strengthening the language skills necessary for you and acquire a higher level of business Japanese.

*This course is strongly recommended for those who have taken the Business Japanese Special Course.
